Avoro: *Political Borders*

Thank you for downloading this asset!

Avoro: Political Borders is a pack of custom paths to use as borders in Wonderdraft.
You can colour the paths in any colour you like!

More!

Are you using this asset for your map? Be sure to leave me a message, I'd love to see it! I might even ask you if I can add it to the asset showcase!

If you have questions, suggestions or ideas let me know via this topic:

Installation

Go to C:\Users\USERNAME\AppData\Roaming\Wonderdraft or click on Open User Folder in the Wonderdraft menu.

Place all files in the .zip file in the asset folder of Wonderdraft (C:\Users\USERNAME\AppData\Roaming\Wonderdraft\assets)

OR install via the Mythkeeper Asset manager.
Start Wonderdraft, open/create a map, click on paths (left sidebar) and select the one of the borders.

License

You can use this asset both for personal use and commercial use.

If you are using it for commercial use however, you must give appropriate credit, and indicate if changes were made.

You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.
