

Creative Commons Attribution-NonCommercial 4.0 International (CC BY-NC 4.0)

Please refer to <https://creativecommons.org/licenses/by-nc/4.0/> for further detail and explanation of terms used in this license.

This is a human-readable summary of (and not a substitute for) the license.
(<https://creativecommons.org/licenses/by-nc-sa/4.0/legalcode>)

You are free to:

Share — copy and redistribute the material in any medium or format

Adapt — remix, transform, and build upon the material

The licensor cannot revoke these freedoms as long as you follow the license terms.

Under the following terms:

Attribution — You must give appropriate credit, provide a link to the license, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.

NonCommercial — You may not use the material for commercial purposes.

No additional restrictions — You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits.

Notices:

You do not have to comply with the license for elements of the material in the public domain or where your use is permitted by an applicable exception or limitation.

No warranties are given. The license may not give you all of the permissions necessary for your intended use. For example, other rights such as publicity, privacy, or moral rights may limit how you use the material.

Notice by Author:

I give blanket permission for all my assets designed for use in Wonderdraft to be used in Wonderdraft's Mapping Contests. I reserve the right to rescind this blanket permission at any time for any reason.

Example of Attribution:

[[the name of the element used]] created by Josh Chunick (CC BY-NC 4.0)

For my works that were adapted from public domain works:

I provide links and information to the public domain works I have adapted. This information can be found in the description where my works were downloaded. The reason I do this is if you choose, you can also gain access to the original materials to do with as you please. It is your responsibility to ensure the particular copyright laws in your country also consider the works to be in the public domain.
